Welcome to Calypso Star Charters, We hope you enjoy your time with us here in Port Lincoln.
Here are a few details outlining your trip and preparation.

IMPORTANT INFORMATION:

If you feel the effects of motion sickness, we strongly suggest that Sea Sickness remedies are taken before travel. From experience we have found that taking the tablets the night before departure is most effective. Kwells and Travacalm tablets are available from our office or onboard the vessel. Remedies can only be purchased in packs of ten due to government requirements.

Your charter includes a light breakfast, morning tea, fully cooked lunch, afternoon tea, cappuccino, icy cold soft drinks and optional alcoholic beverages for purchase. Any dietary requirements need to be advised when booking.

To ensure the comfort of your trip you will need to bring:

- **Personal Toiletries:** Including own towel.
- **Your Camera:** if you have one. Don't forget the charger cords, spare film or a spare memory card. (A Highlights Pack is also available for purchase, We can arrange this onboard the boat)
- **Comfortable clothing:** Remember to pack some warm clothes as it can get chilly on the water (even in summer) A warm jacket is a must in winter; Rain Coats are available for use onboard. Our Vessel has reverse cycle air-conditioning for your comfort.
- **Sunglasses:** polarized sunglasses make it easier to see into the water and spot the sharks.
- **Soft-soled shoes:** Please leave your heavy work boots at home.
- **Wetsuit:** We supply a 5/7mm wetsuit for all guests.
